Wellness Incentive Program 2022-2023 School Year
April 28, 2022

The following is a tentative agreement between the School Board of St. Lucie County and Education Association of St. Lucie (EASL), regarding the Wellness Incentive Program for the 2022-2023 school year. The parties agree to implement this agreement prior to the conclusion of negotiations for the 2022-2023 school year.

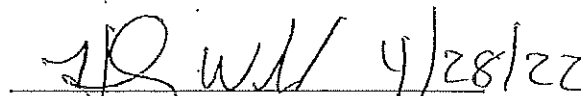

The parties agree that promoting and maintaining a wellness program for school district employees is beneficial to the overall mutual goals of the parties which include improving employee attendance and containing the cost of insurance premiums. The Board agrees to fund wellness incentives for those employees participating in the St. Lucie County School District Employee Health Plans. The incentive program period will run from June 1, 2022 through April 30, 2023.

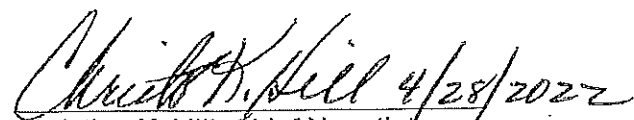

The incentive program will reward participants points based on the Incentive Program Activities and Points Schedule and each point is equal to \$1.00. Participating employees may earn up to 200 points for the entire year. For participants in a Health Savings Account (HSA) eligible plan (BC/BS Plans 5192/5193 or 5180/5181); the wellness incentive will be awarded as a contribution to the employee's HSA account. Employees are responsible for ensuring that they do not exceed the HSA annual maximum contribution as per IRS regulation. For participants in a non-HSA eligible insurance plan (BC/BS Plan 5771), the earned wellness incentive will be awarded as a credit towards the employee's health insurance premium. For any employee who is not eligible for the HSA contribution or premium credit, the wellness incentive will be paid out as a supplement. Only employees who participate in the St. Lucie School District Employee Health Plans are eligible for wellness incentives. To receive the incentive the employee must be eligible and active as of the date the incentive award is made.

The activities and points structure for the wellness incentive are as specified in the Wellness Activities and Associated Points for 2022-2023 Schedule as shown on page 2.

The Wellness Incentive Program will be reviewed quarterly by the Collaborative Bargaining Compensation Subcommittee.
