Each party shall bear the full costs for its representation in the arbitration. The cost of the arbitrator and the American Arbitration Association will be divided equally between the parties. The grievant will pay the entire cost of arbitration if the grievant moves the grievance to arbitration without prior written consent of the Association. If the parties cannot mutually agree to an impartial Arbitrator within ten (10) working days of notification to the Superintendent that arbitration is being sought, the Arbitrator shall be selected by the American Arbitration Association in Accordance with its rules which shall govern the arbitration proceedings. The Arbitrator shall not have the power to add to, subtract from, modify or alter the terms of the collective bargaining contract.

1. He/She shall have no power to change any practice, policy or rule of the Board nor to substitute his/her judgment for that of the Board as to the reasonableness of any such practice, policy, rule or any action taken by the Board, except where there is a possible violation of a section of this Contract.

His/Her powers shall be limited to deciding whether there has been a misinterpretation or misapplication of this contract as affecting any individual member or group of members individually identified within the bargaining unit; and shall not imply obligations and conditions upon the Board other than those which are specifically included in this Contract.

3. He/She shall have no power to establish salary schedules.

4. In rendering decisions, the Arbitrator shall give due regard to the responsibilities and rights of the Board and member(s) and shall so construe the Contract that there will be no interference with such responsibilities and rights, except as they may specifically be conditioned by this Contract.

5. In the event that a case is appealed to an Arbitrator on which he/she has no power to rule, it shall be referred to the parties without decision or recommendations on its merits.

Arbitrator shall confer with the representatives of the Board and the Classified Unit and hold hearings promptly, and shall issue a decision no later than thirty (30) days from date of the close of the hearings or final submissions. ## ARTICLE XI

### REDUCTION IN FORCE, REASSIGNMENT, RECALL, AND CONTINUING STATUS

- A. Length of Service: For the purpose of this article, length of service (or “seniority”) shall be defined as an employee's length of continuous service with the School Board of Saint Lucie County since the employee’s last date of hire. An employee's continuous service record shall be broken by voluntary resignation, non-reappointment to a position, or termination by discharge, abandonment of a position, or retirement.
- B. Layoff: A layoff is defined as the release of an individual employee, termination, from employment as a result of a reduction in force. A reduction of force is defined as the temporary or permanent reduction in the number of employees for lack of work or funds without fault on the part of the employee, prior to the end of the fiscal year. If the District will be transferring employees to avoid layoffs, the procedures outlined in Article VII D must be used. In the event it becomes necessary to lay off employees in a school or department, the following procedures shall apply, unless required otherwise by court order or applicable laws:
1. Temporary employees shall be laid off before any regular, full time, employee is laid off based on the school system and departmental needs. No full time employee shall be laid off before they are offer the opportunity to fill a job vacancy which the School District is actively seeking to fill and for which the employee is qualified. Any movement of any employee from one worksite to another is a result of a reduction in force shall be considered an involuntary transfer as provided in Article VII. D and shall abide by the procedures outlined in Article VII.D.
  2. The School Board shall determine the position and/or classification to be laid off. The choosing of the specific employees to be laid off will be on a district wide basis and will not be limited to the school or department where the eliminated position is located.
- For the purposes of determining the order of layoff, the position within the level of the classification as reflected on the payroll schedule shall be used hereinafter referred to as classification; for example: the Position Level 1, Clerk Typist or Library Clerk. The employee in their identified classification with the least length of service in the School District as defined in paragraph A, above shall be the first laid off.
3. If two or more employees in the affected classification have the exact amount of length of service as defined in paragraph A, the Superintendent or their designee shall make the decision on who shall be laid off based upon:  
  
FIRST:        Job performance and qualifications; if that being substantially equal then:  
SECOND:      Length of Service in the affected classification
  4. The Association shall be provided a length of service list of the employees within the classifications, prior to any layoffs or recalls.
  5. The Association and the employee to be laid off shall be given written notice of layoff 10 work days prior to the effective date of the layoff.

- C. Grant Funded Positions: Individuals hired or voluntarily transferred to positions dependent upon a specific grant funding are hired for the duration of the grant only and the termination of the position at the end of the grant funding shall not constitute a layoff, as defined in this article. Employees will be notified in writing that these appointments are contingent upon funding. When funding is depleted, reasonable efforts will be made to assist individuals with satisfactory evaluations to find positions within the district.
- D. Reduction in Force: A reduction in force (RIF) occurs when a position is eliminated without the intention of replacing it and results in a permanent cut in the number of positions within the bargaining unit, except as stated in paragraph XI.D.7.
- E. Change in Assignment: The Executive Director of Human Resources or their designee will discuss any changes in assignments with the employee directly involved. When an assignment involves moving from one worksite to another, the employee shall be given (3) working days written notice. An orientation of specific job responsibilities will be provided by the immediate supervisor or designee within the first ten (10) working days of the reassignment.
- F. Continuing Status
1. The probationary period for newly hired Classified Unit employees shall be one hundred and twenty (120) working days beginning the first day the employee reports for work.
  2. After satisfactory completion of the probationary period, the newly hired Classified Unit employee will be employed on an annual basis by the School Board. At the expiration of this annual employment there will be no guarantee of a position for the coming year. If the position will be available for the next year, the employee may be considered for another year. If his/her services are non-renewed, he/she shall be notified in writing, of his/her employment status by June 1 for eleven (11) month and twelve (12) month employees and by May 1 for all other employees. Such notices shall include the reasons for non-renewal. The employee shall have the right to appeal this decision to the Superintendent whose decision shall be final.
  3. After serving three (3) consecutive satisfactory years on an annual basis, full-time Classified Unit employees recommended by the Superintendent and approved by the School Board shall be known as continuing employees whose status shall continue from year to year. Classified Unit employees meeting the criteria as stated in this paragraph as of July 1, 1994, shall be granted continuing status except when their last "overall evaluation" rating was "below average" or if they have received any written reprimands or warnings between July 1, 1993 and July 1, 1994, they shall serve a 120 working day probationary period from the date of ratification of this agreement between both parties. After the successful completion of this probationary period, they will be given either the annual status provided by paragraph 2 or continuing status provided by paragraph 3, depending on the employee's length of service.
  4. If an annual or a continuing status employee who is serving a probationary period incurred as a result of a promotion is found to be unqualified to perform the duties of the higher position and the employee's former position is filled, the employee will be transferred to a vacant position for which he/she qualifies. The probationary period for promotion is ninety (90) working days. If no such position is available, then the employee shall be considered laid off with recall rights under paragraph D of this article. The determination of whether the employee satisfactorily completes

the promotion probation period shall not be subject to the grievance/arbitration procedure.

5. After a probationary period as defined above, the Board and/or its representatives may discharge an employee at any time, however, except as provided in paragraph 2, the Board must show just cause for such discharge.

6. Nothing herein shall be interpreted as restricting the Superintendent/designee from imposing a lesser discipline penalty than discharge.

7. Paragraph F does not apply to employees who are laid off or who abandon their jobs under the provisions of this contract.

### **BUS AIDES**

#### **A. Assignment of Bus Aides**

##### **1. Bidding and Lock-In:**

- a. Bidding Seniority: Bidding seniority is defined as an employee's continuous length of service with the School Board of St. Lucie County. The current bidding seniority list will be posted. When a bus aide takes a route under the bidding process, he/she must keep the route for the remainder of the school year. Time worked as a substitute bus aide will not count towards seniority. Only regular school bus aides will be eligible to bid for open routes.
- b. Establishment of Lock-In: The fall route Lock-In bid will occur no later than October 31 of each year. After the fall route Lock-In bid is complete<sup>4d</sup>, all bus aides will be guaranteed to be paid for the Lock-In time of the fall Lock-In bid calculated on a daily basis until the bus aide's Lock-In is established for the next school year at the next fall Route Lock-In Bid.
- c. Change in Route Time after Lock-In: If the established time for the bus aide's route is reduced after lock-in, the bus aide will continue to be paid the time guaranteed at lock-in, until the bus aide's time is established for the next school year. The bus aide will be required to continue to report for work each day at the assigned compound and specified start time in accordance with Department procedures and may be given work to make up the difference in time. In no event will the bus aide be paid less than his/her lock-in time, even if the route time has decreased. Increases in route time will be paid in accordance with current procedures, but will not change established lock-in time. Sick leave accrual will be based on lock-in time, or current hours worked daily, excluding extra work, whichever is greater. The bus aide may choose to accept the revised lock-in time based on the revised established time for the assigned route. If the revised lock-in time is chosen and accepted by the bus aide in writing, the bus aide will be guaranteed pay for the revised lock-in time and be required to report for work each day at the specified start time in the revised lock-in route. (Ratified 8/9/16)

##### **2. Open Bus Routes:**

###### **a. Beginning of School Year:**

- 1. All routes not assigned to bus aides at the beginning of the school year will be designated as open routes and will be temporarily filled by full-time and substitute bus aides. Open bus aides' routes will be bid according to the following procedure:
- 2. All open routes will be reviewed and posted in the transportation employees' lounges concurrent with the bus driver bid but at least 1 week prior to the bid.

3. A copy of the postings shall be issued to the President of the Association.
  4. Route bidding for bus aides shall take place at least one day following the bus driver bid.
  5. Successful bidders will take over the accepted bid route no later than the Monday following the bid.
  6. Any routes vacated by bus aides bidding as described above will be posted as open routes during the first week of the next month to be assigned to the most senior bidders the following week. Successful bidders will take over the accepted bid route no later than the Monday following the bid.
  7. When a bus aide takes a route under the bidding process, he/she must keep the route for the remainder of the school year, unless administratively reassigned. Such reassignment shall not be for arbitrary and capricious reasons. Every reasonable effort will be made to maintain bus assignments from year to year to designated parking compounds consistent with the assignment as posted and bid upon by the bus aide through the bidding process.
- b. After Lock-In: Any route requiring a bus aide which becomes open during the year as a result of terminations, transfers, creation of additional routes, etc. during the school year will be subject to the bidding process as described below:
1. Routes will be designated as assigned to the north or south county compound.
  2. An Open Route or routes coming open during the school year will be conducted monthly when open routes exist.
  3. The monthly bid will be conducted on the first Wednesday of the month and open routes will be posted five (5) working days prior to the scheduled bid date.

### 3. Extra Work:

- a. Only bus aides who are regular, full-time employees of the St. Lucie County School District are eligible for extra work assignments. All middays and extra work will be temporarily assigned at the beginning of the year following the procedures outlined in A.3(b). At lock-in, previously assigned middays and extra work will be assigned for the remainder of the year in accordance with the contractual procedures outlined herein.
- b. The assignment of bus aides to extra work shall be accomplished by a team attachment with a paired driver. As a driver is assigned to extra work requiring an attendant, the teamed bus aide will have first opportunity to accept that assignment. If a bus aide is either unattached or the teamed driver or aide does not want extra work, the bus aide may sign up on an "Independents List" to be organized by seniority. When the need for an independent bus aide arises, the list shall be utilized in an assignment rotation based on seniority and logistical feasibility.

c. After lock-in, when the assignment of extra work results in a lock-in and midday that exceeds 42.5 hours, then the following procedure will be used to assign the work:

1. Middays will be assigned using the extra work list procedure by seniority to a bus aide that can do the work without going over 42.5 hours.
2. If no bus aide can accept the assignment of the extra work without exceeding 42.5 hours, then the work will be assigned using the “all-call” procedure by seniority with overtime “cap” removed for all bus aides. Middays/extra work may be split.
3. If (1) and (2) are not successful, Middays/extra work may be split.

d. Assignment of additional work for bus aides will be made in the following order of priority:

1. Current bus aides in accordance with the procedures outlined above;
2. Current transportation employees in the CTA/Classified Unit;
3. Current Classified Unit bargaining unit members who apply and have the appropriate training completed.
4. Other St. Lucie employees who apply per Article VII. E (2). These employees will be provided appropriate training.

4. Assignment of Bus Aides on Regular Education Routes:

When a bus aide is assigned an exceptional education student on a regular education bus route, the student requiring the bus aide shall be their primary responsibility and other riders their secondary responsibility.

#### B. Bus Aide Supplements

Bus aides will receive a 6% supplement upon completion of training in providing services for medically fragile students. After completion of required training, bus aides may qualify for an additional 6% supplement based on assigned duties.

#### C. Bus Aide Training

Bus Aides will be provided with adequate, on-going training appropriate to the exceptionalities and needs of the students on their bus including the use of reasonable force and manual physical restraint consistent with School Board Policy 3.44, prior to placement of students on the bus. Training will be provided during the regular work day and/or be compensated time or compensatory time beyond the work day as required by provision of this contract.

#### D. Reassignment of Bus Aides

When the efficiency of operation requires that a bus should be reassigned to a different compound location due to location of student residence and schools served by the assigned route(s) to the bus, the assigned employee to the affected bus will be given five (5) working days' advance notice of this bus compound reassignment. Upon notice, the assigned bus aide as applicable will be given the following options:

1. Continue with the bus assignment at the new bus compound. If this option is chosen, the employee will be given ten (10) working days to transition to the new bus compound location.
2. Request reassignment to any open bus until the next bid. If this option is chosen, the bus aide will be assigned to any open route by the Director of Transportation. If such assignment to an open route in lieu of moving to the new compound location is chosen, the hours of work associated with the open route will become the employee's new lock-in time.

E. Summer School Work

Assignments of summer school work for bus aides will be made following the procedures outlined in Article VII.E. Bidding for summer school routes will follow the established bidding procedures outlined above. If a substitute bus aide is required during summer work, assignment will be made using the procedure outlined in Article VII.E. for assignment of extra work.

School Board of St. Lucie County  
Education Association of St. Lucie – CTA/CU/Protech  
Wellness Incentive Program 2021-2022 School Year  
March 30, 2021

The following is a tentative agreement between the School Board of St. Lucie County and the Education Association of St. Lucie (EASL) regarding the Wellness Incentive Program for the 2021-2022 school year. The parties agree to implement this agreement prior to the conclusion of negotiations for the 2021-2022 school year.

The parties agree that promoting and maintaining a wellness program for school district employees is beneficial to the overall mutual goals of the parties which include improving employee attendance and containing the cost of insurance premiums. The Board agrees to fund wellness incentives for those employees participating in the St. Lucie County School District Employee Health Plans. The incentive program period will run from June 1, 2021 through April 30, 2022.

The incentive program will reward participants points based on the Incentive Program Activities and Points Schedule and each point is equal to \$1.00. Participating employees may earn up to 200 points for the entire year. For participants in a Health Savings Account (HSA) eligible plan (BC/BS Plans 5192/5193 or 5180/5181). The wellness incentive will be awarded as a contribution to the employee's HSA account. Employees are responsible for ensuring that they do not exceed the HSA annual maximum contribution as per IRS regulation. For participants in a non-HSA eligible insurance plan (BC/BS Plan 5771), the earned wellness incentive will be awarded as a credit towards the employee's health insurance premium. For any employee who is not eligible for the HSA contribution or premium credit the wellness incentive will be paid out as a supplement. Only employees who participate in the St. Lucie School District Employee Health Plans are eligible for wellness incentives. To receive the incentive the employee must be eligible and active as of the date the incentive award is made.

The activities and points structure for the wellness incentive are as specified in the Wellness Activities and Associated Points for 2021-2022 Schedule as shown on page 2.

The Wellness Incentive Program will be reviewed quarterly by the Collaborative Bargaining Compensation Subcommittee.
